JOURNAL OF KOREAN SOCIETY FOR QUALITY MANAGEMENT

Vol. 49 No. 1 March 2021

Introduction of Journal: This academic journal is published by Korean Society for Quality Management. The first issue of this journal was published in 1966. This journal deals with topics related to quality. It contributes to the improvement of national quality competitiveness through academic development of quality and use of industry.

Aims: The purpose of this journal is to promote advanced research and techniques and share the outcome, in order to improve academic research by quality specialists and quality competitiveness of companies.

Scope: This journal studies all fields related to quality of individuals and organizations (including companies/nonprofit organizations). It includes all contents with academic value such as academic research papers, new quality techniques, success cases of companies, and practical experiences of quality specialists.
